Ms. Rose;

I am enclosing a part of a 1903 map that shows John. W. Ruzicka. Sec. 16. I accidentally marked Sec. 34. That is the only sign of John I could find. except in the 1910 census there is a John - that could be him but it is spelled different and hard to read. I am enclosing a copy of what that census reads.

I also checked in the land records here and the court house and because he is on Sec. 16- which is classified as school land there is no record.

There is no Ruzicka listed in our cemetery books of Lincoln County.

I hope some of this helps you. Contact if I should look further

We charge \$10.00 to search. \$.25 a copy.

Sincerely

Jeanette Haley
Curator

p.s. Did You want a copy of Joe Ruzicka? on census
